

HP-99 Composer Ensemble

Designer Style Meets Leading Edge Technology

Suzuki's new HP-99 Composer Ensemble Digital Piano with its High Gloss Black or Dark Rosewood finish is both beautiful to look at and fun for the whole family. The HP-99 combines technically advanced performance with contemporary elegance. The HP-99 offers an amazing combination of performance features for endless musical possibilities. Features include Karaoke sing-along, compose, play back, and store your own music, self-teaching feature, and much more! The versatile HP-99 is your musical entertainment center.

Advanced balanced graded hammer

action keyboard delivers authentic grand piano touch while stereo and 3D instrument sound samples with programmable digital effects deliver astonishing acoustic realism. An amazing combination of 128 voices, 100 rhythm styles and recording features create endless musical possibilities. A host of auto accompaniment features include 100 professionally arranged rhythm styles. Compose your own original songs with the 5 track music sequencer. Save compositions to the disk drive or playback music files and sing-along to lyrics displayed on the backlit LCD.
