Traditional Style Meets Leading Edge Technology

Suzuki's new Spinet Digital Piano is both beautiful to look at and fun for the whole family. A powerful musical instrument, the ST-9 is packed with features that combine technically advanced performance with traditional Spinet cabinet design to complement any size room or décor. Hundreds of pre-recorded music disks are available to set just the right mood.

The ST-9 is a digital piano that never needs tuning. An amazing combination of 128 voices, rhythms and recording features create endless musical possibilities. Natural advanced balance graded hammer action keyboard delivers authentic Grand Piano touch (teacher recommended) while stereo and 3D instrument voices create astonishing acoustic sound realism. A host of auto accompaniment features include

100 professionally arranged accompaniment styles. Compose and save your own songs with the on board 5 track recorder. Save and play back performance or practice sessions. Sing along with music disks. Karaoke lyrics can be displayed on the piano or through your TV with included cable!

The SD (Secure Data) Memory Card will save and play back your performances. Play over 100 songs by Beethoven to Bob Dylan. The included SD Card contains a custom song library of Jazz, Classical, Holiday and Karaoke songs. You can also download hundreds of SMF MIDI songs from the internet to make your own custom music library.

Suzuki's new ST-9 – masterpiece that's fun and entertaining for the whole family.
