# Mini-Grande Digital Piano

*It's More Than Just a Piano*

Suzuki introduces a Mini-Grande Digital Piano that's not only beautiful to look at, but fun for the whole family. A powerful musical instrument, the XP-35 is packed with features that combine technically advanced performance with traditional elegance and hand rubbed lacquer cabinet. Perfectly proportioned, the XP-35 fits any sized room or décor. Hundreds of pre-recorded music disks are available to set just the right mood.

The XP-35 is a digital piano that never needs tuning. An amazing combination of 128 voices, rhythms and recording features create endless musical possibilities. Advanced balanced graded

hammer action keyboard delivers authentic Grand Piano touch (*teacher recommended*) while stereo and 3D instrument voices create astonishing acoustic sound realism. A host of auto accompaniment features include 100 professionally arranged accompaniment styles. Compose and save your own songs with the on board 5 track recorder. Save and play back practice sessions using Secure Digital Drive (SD Memory Card). Sing along with music disks. Karaoke lyrics are displayed on the piano.

Suzuki's new XP-35 Mini-Grande Digital Piano. It's a whole new world of music, fun and entertainment for the whole family.
